

1300 West; 4700 South to 6200 South

Project Description: **Environmental Study**

This project is in the environmental phase for a bicycle lane/path on 1300 West from 4700 South to 6200 South. Due to inadequate funding, construction will start on the south end at 6200 South and move north as far as funding will permit.

Total Project Budget: **\$491-thousand**

Anticipated Schedule: **Design will take place in early 2006 and is projected to advertise for construction in summer 2006.**

NOTE: Schedule information listed above is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.

Project Contacts:

- **John Montoya, Project Manager**
